Request to Add Entrepreneurship Certificate Program

The undergraduate certificate program in Entrepreneurship is an available program of study for undergraduate and graduate students. Students in the Business Administration major with the Entrepreneurship concentration are not eligible for this certificate.

Instructions

To request this program be added as a program of study, complete this form and follow the instructions outlined below based on your application or enrollment status at Towson University.

All submissions must be e-mailed to admissions_documents@towson.edu.

Current TU Students

If you are currently enrolled in a second bachelor's degree or graduate degree program, complete and email this form to University Admissions. If you are returning to complete one of these degree programs after a break in attendance, you must first submit a reenrollment form. Complete and email this form to University Admissions after you have been approved for reenrollment.

Do not use this form if you are currently enrolled or reenrolling in your first bachelor's degree program; use the Change of Major/Minor Form for Undergraduates.

Degree-Seeking Applicants

New degree-seeking applicants for freshman, transfer, second bachelor's, or graduate admission must first apply to the university. After submitting your university application, complete and email this form to University Admissions.

Applicants for Certificate Study Only

This option is available to students who have already earned a bachelor's degree and only want to enroll in the certificate program. Students seeking certificate-only enrollment must first submit a non-degree application. Once you apply for non-degree enrollment, complete and email this form to University Admissions. If you graduated from another university, you must also submit a transcript along with this form in order to verify that you have earned a bachelor's degree.
