

MEMORANDUM OF UNDERSTANDING
COLLEGE OF SOUTHERN MARYLAND & TOWSON UNIVERSITY
December 15, 2021

ELECTRONIC MEDIA AND FILM B.S. Degree
Film, Film/Video/Digital Media Concentration

College of Southern Maryland, LaPlata, Maryland, and Towson University, agree to follow the articulation of courses outlined in the articulation (course equivalency) document, for completion of requirements for the Bachelor of Science degree in Electronic Media and Film: Film, Film/Video/Digital Media Concentration (Attachment A), which is attached to, and incorporated by reference into, this Memorandum of Understanding (MOU). The following principles guide the operation of this MOU, with the requirements for transfer in specific curricula set forth in Attachment A.

1. Towson University will accept a maximum number of 64 credits from College of Southern Maryland as outlined in the Attachment A. The number of transferable credits specific to this program is reflected in Attachment A.
2. Students who have completed the Associate of Arts Degree in the Digital Media Production program at College of Southern Maryland may transfer into Towson University's Electronic Media and Film program with junior standing provided that the student has completed all courses identified on Attachment A with a cumulative GPA of 2.00 or higher. Courses completed at College of Southern Maryland with 300 or 400 level Towson University course equivalencies will transfer as lower-level credit but will satisfy course content as indicated.
3. Only courses in which a grade of C (2.00) or better is earned will apply toward the major at Towson University.
4. In accordance with the MHEC transfer policy pertaining to general education requirements, Towson University will accept the completion of College of Southern Maryland's general education requirements (GenEds) and students will be required to complete courses at Towson University to satisfy the remaining **Core Curriculum** requirements as shown in Attachment A.
5. Towson University recognizes college-level experiential learning gained through previous work, military and/or volunteer service or life experience. Credit for prior learning may also be established through course challenge or standardized credit by examination.
6. College of Southern Maryland students transferring to Towson University will be given every consideration for financial aid and will be eligible to compete for academic

scholarships upon entrance to Towson University subject to stated scholarship deadlines.

7. Both College of Southern Maryland and Towson University agree to work together to facilitate the transfer of students from College of Southern Maryland to Towson University to work cooperatively to insure the high quality of the programs at the respective institutions. Transfer of students will be in accordance with policies and procedures of both institutions, as they may be amended from time to time.
8. This MOU will be in effect initially for ten years, beginning **fall 2021**, with a review every two years by both parties. Any revisions the parties deem necessary must be evidenced in writing and signed by the authorized officials of each institution. The MOU may be terminated by either party for due cause and after adequate notice of not less than six months is given to the other party.
9. Towson University will establish procedures to provide information on the academic progress of College of Southern Maryland students enrolled as part of this MOU.
10. This MOU, when signed, constitutes the entire agreement between the parties and supersedes all prior agreements and understandings between the parties respecting the matter hereof.

Total program requirements applied to the TU degree: 33 credits

Total transferred to TU: 61 credits

Students may transfer a maximum of 64 credits. If students do not adhere to the courses outlined above in Tables 1 and 2, they are not guaranteed completion of the bachelor's degree in 2 years. Refer to section 2 for specific course details and transfer planning information.

Section 2: CSM Course Selection & Transfer Details

This section explains any specific course selections made in section 1 and provides transfer planning guidance specific to this degree plan. Students must follow the course selections outlined in this document. If students do not complete any or all of the courses outlined in this agreement, they will be required to complete outstanding requirements at TU.

GENERAL EDUCATION

Students must take the following courses for their general education requirements:

- **Mathematics:** Take MTH 1010 Quantitative Literacy and Reasoning (M) to satisfy Mathematics General Education requirement and Digital Media Production program requirement.
- **Arts & Humanities:**
 - Take COM 1010 Basic Principles of Speech Communication (H) or COM 1650 Introduction to Public Speaking (H) to satisfy Arts and Humanities General Education requirement and Digital Media Production program requirement.
 - Take ENG 1020 Composition and Literature (H) or ENG 1030 Composition and Nonfiction Prose (H) to satisfy Arts and Humanities General Education requirement and Digital Media Production program requirement.
 - Take ART 1200 Two Dimensional Design (A) to satisfy Arts and Humanities General Education requirement and Digital Media Production program requirement.
- **Behavioral and Social Sciences:** Take COM 1020 Introduction to Mass Communication (B) to satisfy one Behavioral and Social Science General Education requirement and Digital Media Production program requirement. TU will waive the Electronic Media and Film Pre-Admission Requirement of EMF 140 Introduction to Media and Film for students entering TU under this agreement who complete COM 1020 with a C or better and the Associate of Arts degree in Digital Media Production at CSM. Students should request a waiver of the EMF 140 requirement at the EMF department upon transfer (at orientation) to TU.
- **Biological and Physical Sciences:** Take SCE 1010 Scientific Method and the Modern World to satisfy one Biological and Physical Science General Education requirement and Digital Media Production program requirement.
- **English Composition:** Students must earn C or better in ENG 1010 English Composition and Rhetoric.

The following information explains the transfer of students' general education courses:

- TU will recognize the courses in Table 1 (see section 1) as a completed general education program. Students will receive a core package that satisfies most of the TU Core Curriculum without the need for course-by-course placement in specific Core Curriculum requirements.

- Students will need to complete four Core Curriculum requirements at TU: Advanced Writing Seminar (Core 9), Metropolitan Perspectives (Core 10), Global Perspectives (12) and Ethical Perspectives (Core 14).

PROGRAM REQUIREMENTS

Students must take the following courses in order to also satisfy required courses in the major at TU:

- **Program Requirement:** Take DMP 1010 Video Field Production to satisfy the major requirement of EMF 221 Principles of Film and Media Production (Required Pre-Admission Course).
- **Program Requirement:** Take DMP 2030 Documentary Production to satisfy a concentration elective.
- **Program Requirement:** Take MUS 1125 Audio Production to satisfy the major concentration requirement of EMF 265 Audio Production I (Required Course).
- **Program Requirement:** Take DMP 2450 Digital Filmmaking to satisfy the major concentration requirement of EMF 222 Film Video Production (Required Course).
- **Program Requirement:** Take DMP 1020 Television Studio Production to satisfy the major concentration requirement of EMF T51 (EMF 351) Television Stations Operations (Intermediate Production Requirement).

LOWER-LEVEL EQUIVALENTS OF UPPER-LEVEL COURSES

A course number beginning with T or F indicates that it is a lower-level equivalent of an upper-level TU course. EMF T51 and EMF F60 will not count toward the TU degree requirement for 32 upper-level units.

Section 3: Degree Requirements to Be Completed at TU

This section outlines the degree requirements for students transferring into the major or concentration. Refer to section 4 for additional major requirements, recommendations, and university-wide degree requirements.
