6. Cecil College students transferring to Towson University will be given every consideration for financial aid and will be eligible to compete for academic scholarships upon entrance to Towson University subject to stated scholarship deadlines.
7. Both Cecil College and Towson University agree to work together to facilitate the transfer of students from Cecil College to Towson University to work cooperatively to ensure the high quality of the programs at the respective institutions. Transfer of students will be in accordance with policies and procedures of both institutions, as they may be amended from time to time.
8. This Program Transfer Agreement will be in effect initially for five years, beginning with the commencement of the *Fall 2023 semester* and ending at the completion of the *Fall 2028 semester*, with a review every year by both parties. Any revisions the parties deem necessary must be evidenced in writing and signed by the authorized officials of each institution. The Program Transfer Agreement may be terminated by either party for due cause and after adequate notice of not less than six months is given to the other party.
9. Towson University will provide information on the academic progress of Cecil College transfer students enrolled under the terms of this Program Transfer Agreement upon request by Cecil College and in compliance with the provisions of the Family Educational Rights and Privacy Act (FERPA) and applicable Towson University policies and procedures.
