

CAREER ROAD MAP **YEAR 2**

KNOWLEDGE

- Complete Traitify, Strong Interest, O*NET or other career assessment to determine your strengths and possible careers or majors to pursue.
- Identify career-ready skills gained through past part-time jobs, student organizations and community service.
- Attend a financial literacy workshop.

NETWORK

- Conduct career conversations with professionals in your field(s) of interest through Tiger Mentor Network.
- Participate in Tiger LEAP Job Shadowing Program or a site visit.
- Find peers with similar interests to share in your college experiences.
- Engage in a Career Community activity.

CAREER READY

- Consider taking EDUC121 Designing Your Career Plan to learn about decision-making and how to better prepare for life after college.
- Review the career-ready skills page on the Career Center website and get ideas for how to develop these skills.
- Attend leadership programming.
- Consider running for a student organization leadership position.
- Meet with your academic adviser to create your degree completion plan.
- Identify some alternate routes in case you encounter a roadblock in your plan.
