

# The Schedule of Women's and Gender Studies Course Offerings

## WMST 231

Multiple sections (8-12) are offered every semester

## WMST 233

Two to three sections are offered every semester

## WMST 235

At least one course is offered every semester

## WMST 337

The required Feminist Theory course is offered **only** in the fall semester. You must take this course no later than the fall semester preceding the spring semester in which you graduate.

## WMST 485

The required seminar/ capstone course offered **only** in the spring semester.

The best way to ensure your enrollment in other courses is to take them as soon as they are offered; that may be the last opportunity you have to do so prior to your intended date of graduation.
