

Kahlert Foundation Scholarship for Towson UTeach (Transfer Students)

Purpose

The Kahlert Foundation Scholarship for Towson UTeach (Transfer Students) supports the academic achievement of Maryland community college students who transfer to Towson University to continue their studies within the Towson UTeach Program, the university's teacher preparation program for students pursuing teaching certification in secondary school (grades 7-12) science, mathematics, and computer science.

Award

The total award amount is \$6,000. The first \$3,000 is awarded during the student's initial year at Towson University. The award can be renewed once (\$3,000) during the student's second year at Towson University provided the student is in good academic standing; has maintained a cumulative grade point average of at least 3.00; and has continued to successfully complete appropriate coursework toward the completion of their major within the Towson UTeach Program (the secondary education concentration within the mathematics, computer and mathematical sciences, biology, chemistry, earth-space science, or physics major; or other approved mathematics or science major).

Eligibility

- Student must
 - be a Maryland resident
 - have completed at least 45 college credits at a Maryland Community College(s) prior to matriculating to Towson University
 - have a combined grade point average from all current and previous institutions of higher education of at least 3.00
 - matriculate to Towson University (TU)
 - maintain status as a full-time TU student (at least 12 credits)
 - declare a major aligned with the Towson UTeach Program (the secondary education concentration of the mathematics, computer and mathematical sciences, biology, chemistry, earth-space science, or physics major)
- Preference will be given to a student who is the child or grandchild of an existing or former Evapco employee who is or was an employee for no less than one year. It is incumbent on the applicant to provide documentation of his/her relationship to a present or past Evapco employee by furnishing a letter on Evapco stationery, signed by an appropriate company official, that states the applicant's relationship to the employee and the employee's length of service to Evapco.
- Demonstrated financial need, as determined by the FAFSA, which should be filed by March 1 of each year, is not a requirement but may be taken consideration.

Application Deadline

Applications received by December 1st/May 1st will be given preferred early review for the spring/fall semesters, respectively.

Submission Guidelines

- Submit the application available at <https://tinyurl.com/kx3kaa2n>. Additional scholarship information is found at <http://www.towson.edu/fcsm/departments/uteach/scholarships.html>
- Submit the following by regular mail to
Kahlert Foundation Scholarship for Towson UTeach
c/o Ms. Sarah Mamaril @towson.edu
 - one letter of recommendation from a faculty member or administrator (Ex: Director of Teacher Education) at your community college
 - unofficial transcripts from all undergraduate institutions of higher education that you have attended.
- Complete the current FAFSA form and designate Towson University as a recipient. Financial aid will be considered but is not a requirement of eligibility. If you have already processed a FAFSA to attend another school, call 1-800-4FEDAID and request that your FAFSA results be sent to the Towson University Office of Financial Aid.
- Submit the following by **regular mail** to
Kahlert Foundation Scholarship for Towson UTeach
c/o Ms. Sarah Mamaril
Towson UTeach
Towson University
8000 York Road
Towson, MD 21252
 - official transcript(s) from all undergraduate institutions of higher education that you have attended.
 - Optional – Send an official score report from the College Board to Towson University (code 5404) for Advanced Placement Examination scores for which you expect to earn credit. Please refer to <https://catalog.towson.edu/undergraduate/admissions/undergraduate-admissions/advanced-placement/> for a listing of qualifying scores.
