

Welcome to

SECU Arena at Towson University is the new state of the art venue for athletics, sporting events, concerts, commencements and more. Four Tiger athletic teams compete in the new facility, including men's and women's basketball, volleyball and gymnastics.

The facility enhances Towson University's campus and connection to the community by creating new opportunities to host events for students, neighbors and residents throughout Baltimore and the state of Maryland.

The 117,000-square-foot arena opened in Fall 2013. It was awarded LEED Gold certification for energy use, lighting, water and material use, in addition to a variety of other sustainable features. By using less energy and water, the arena saves money for students and taxpayers; reduces greenhouse gas emissions; and contributes to a healthier environment for students, staff, guests, athletes and the community.
