➤ All students pursuing the BS in Music degree must take one course in one of the arts outside of music (visual arts, theater, or dance) either within their core curriculum units or within their elective units.

➤Core Curriculum Requirements (use separate Core Curriculum advising Sheet)

>Students are encouraged to pursue a minor in a related or complementary field of study.

Graduation Requirements

Music majors must:

- earn a grade equivalent of 2.00 or higher in all music major courses, ensembles, and lessons; Pass grading option is not available for courses applied to the major
- fulfill all Core Curriculum requirements as outlined in the University Curriculum
- earn no less than 32 upper-division (300-400) credits

Transfer students must complete a minimum of 24 major units at Towson University, all of which are upper level (300-400) courses.

I understand that students are expected to familiarize themselves with the *Undergraduate Catalog* and that they are to satisfy all published degree requirements. Failure to do so does NOT provide a basis for exceptions to academic requirements or policies. It is my understanding that students will receive assistance from general academic and faculty advisers, but students MUST assume responsibility to verify their degree progress and to complete published degree requirements.
