- MTED 613 (mandatory)
- MTED 614 (mandatory)
- MTED 615 (mandatory)

## Mathematics Methods
- MTED 605 (mandatory)

## Total

To graduate a student must successfully complete at least 36 units with no more than 9 units below the 600 level. Two copies of official transcripts must be mailed directly to the Program Director for all transferred course work. No more than half a student's units can be transferred from other institutions.

Print this page and update it as you progress through your program.
