TOWSON UNIVERSITY

FORM C
COURSE LOAD CHANGE 2009-2010

Your initial financial aid offer was based on the assumption that you will attend Towson University full-time if you have undergraduate standing (12 or more units per term). If you will have graduate standing, your offer was initially based on the full-or-part time status that you indicated on your application for aid.

If you are an undergraduate student and plan to take fewer than 12 units or a graduate student and changing the enrollment status you reported on you financial aid application, your offer will require revision. Please indicate any change to your course load below and return this form to the Financial Aid Office.
