

Fall & Spring Terms

Information about tuition and fees for undergraduate and graduate students.

Fall 2018 and Spring 2019 Rate Structures

Towson University has campuses and special programs across the state of Maryland and abroad, which affect the rate structure. Tuition and fees are assessed based on the class level (undergraduate or graduate) and which campus the class is held; not by the student career. The student career may be used for other special fees. Different rates may apply to special programs—see below. Lab/class fees apply to certain courses and the amount varies depending on the course. Audit courses are billed at the same rate as unit courses.

Please note that Towson University reserves the right to make changes in tuition, fees and other charges at any time such changes are deemed necessary by the university and the University System of Maryland Board of Regents.

**TOWSON UNIVERSITY IN NORTHEASTERN MARYLAND CAMPUS
(DEGREE AND NON-DEGREE)**

Towson University charges reduced Athletics, Student Government Association and Auxiliary Services Fees for students taking units at the Towson University in Northeastern Maryland campus (TUNE). Regular tuition rates apply.

Students who carry less than a 12-unit load at TUNE and simultaneously take classes at other Towson campuses will be assessed fees according to the applicable per unit rate for each campus they attend. For example, you would pay fees for your units at TUNE at the TUNE per unit rate; plus pay fees for your units at the other campus according to the other campus' rate. The maximum fee charge per term is equal to the Towson main campus full-time fee rate.

Registration Restrictions

If you have a university account balance in excess of \$250, you will not be allowed to register.

eBill Notification and Payment

Payment of the electronic tuition bill (eBill) is the responsibility of the student and is due to the university each term. Notification that an eBill has been issued is communicated to each student via their TU campus email. Failure to pay or provide financial aid or third party documentation to cover the eBill statement balance does not discharge the financial obligation, including any late payment assessments, and may result in the cancellation of your class schedule.

AVOID CLASS CANCELLATION

Contact the [Bursar's Office](#) if you do not receive an eBill notification at least one week prior to your payment due date.

Securing or Canceling Your Schedule

If your account balance reflects a credit or zero balance, your class schedule will be secured for the term. If your account reflects a credit or zero balance and you choose NOT to attend the upcoming term, you MUST drop all of your classes by the end of the Change of Schedule period in order to receive a 100 percent refund of tuition and fees. You must withdraw online through Self Service.

To withdraw online:

- Login to [Towson Online Services](#)
- Click Self Service
- Click Student Center
- Click Enroll/Drop

Notification to the instructor does not constitute a proper withdrawal. If you fail to withdraw in the proper manner and timeframe, you will be financially responsible for all term charges. A \$150 late fee is assessed to any student who does not pay in full or establish a payment plan with the university by their bill payment deadline.
