

STUDY ABROAD BUDGET PLANNING TOOL

Congratulations on making the decision to incorporate a study abroad experience into your academic career here at TU. When selecting a program it is important to be realistic about how much you can afford. This form is designed to help you calculate how much your study abroad experience will cost and compare the programs you are considering.

Make sure you consult the person(s) who will be funding your study abroad experience and review the costs with them!

If you receive Federal Financial Aid, ask your Study Abroad Advisor to complete a "Study Abroad Student Budget" and submit it to the TU Financial Aid Office. Your budget will help the TU Financial Aid Office to determine your financial aid award package for your term abroad.
