

## Regalia Rental Application

Thank you for your interest in applying for the GSA Regalia Rental Closet, the Spring 2024 Regalia Rental Closet application is finally open! **Applications** are now officially **CLOSED** as of **April 5, 2024**.

We would like to thank those that donated to the TU Big Give who supported the initiation of this project. We would also like to thank the Scholarships and Grants Committee within the Towson University Alumni Association for their generous grant donation. Their contribution made the project possible and allowed the rental price within our closet to be \$0 for students.

The purpose of the closet is to provide graduate students pursuing a master's degree with an opportunity to rent graduation regalia. The lack of current rental opportunities has prevented graduate students in the past from attending graduation ceremonies due to the cost of purchasing regalia. The development of the closet was initiated to help eliminate the financial burden of graduation regalia on students. To properly serve and support graduate students during their time at Towson University, it is vital that we alleviate unnecessary financial burdens to ensure they participate in such an occasion. We thank you for your interest in participating in this initiative. For students who are in need of assistance, please consider submitting an application **to rent a free regalia package for Spring 2024 commencement**.
