TU Study Abroad/Away by Gender* AY 2023-24

*The Towson University Study Abroad & Away Office recognizes that gender identity is one's own sense of being male, female, neither, both or another gender. In alignment with institutional reporting, our statistics reflect the legal sex of participants collected from their PeopleSoft accounts.

TU Study Abroad/Away by Program Type AY 2023-24

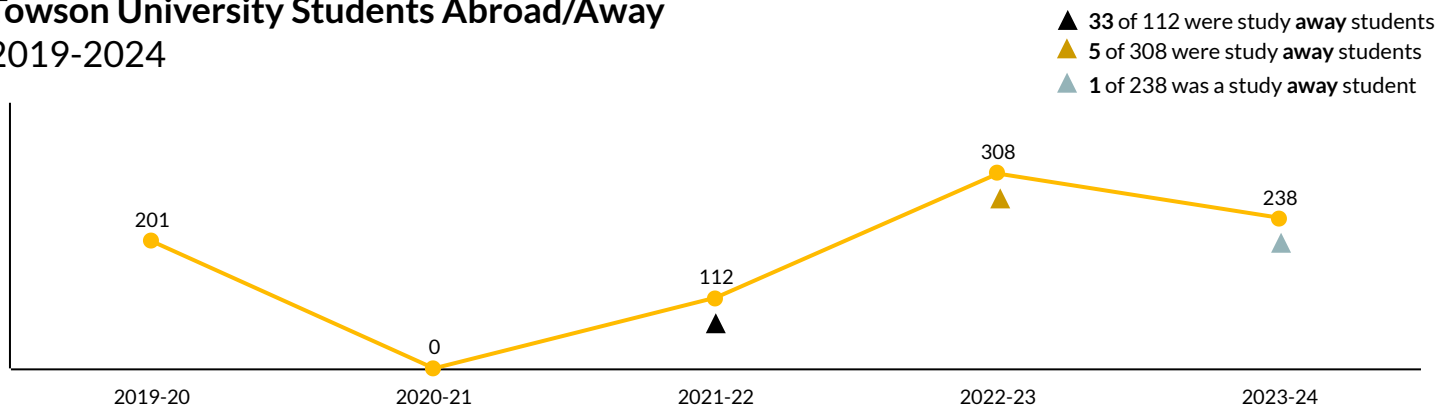

"Getting to spend twelve days with an eager, excited, curious, and adaptive group of students who showed patience, tolerance, kindness, and excitement was invigorating. We were learning and experiencing a new culture together, within the unifying theme of course content related to happiness. It was a beautiful blend of professional and personal."

~ Dr. Christa Schmidt, Department of Psychology
