ABROAD/AWAY 2023-24

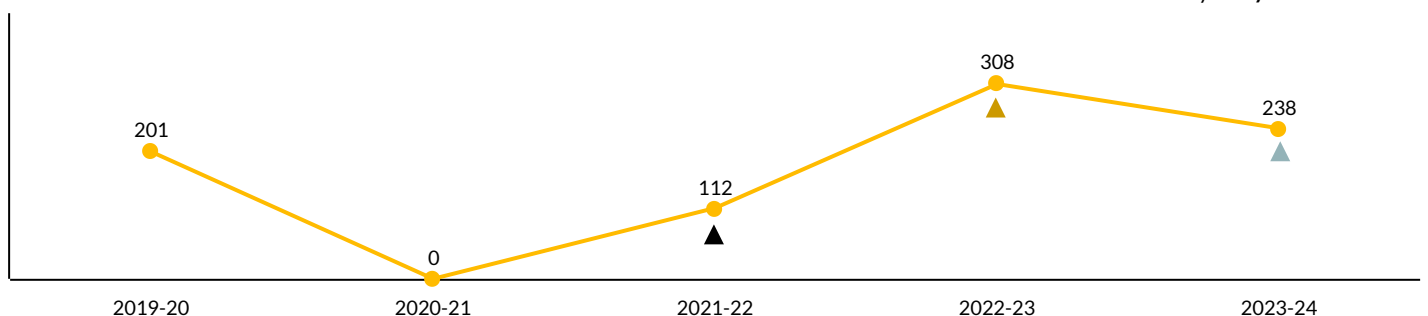

\*The Towson University Study Abroad & Away Office recognizes that gender identity is one's own sense of being male, female, neither, both or another gender. In alignment with institutional reporting, our statistics reflect the legal sex of participants collected from their PeopleSoft accounts.

"This program provided a unique and invaluable professional experience for all involved and has immense ... value as a form of inter-professional experience related to sport and physical activity for students in kinesiology and the College of Health Professions, as well as across campus. This program greatly enhanced our professional development, as it allowed us to create connections with sport industry professionals in London, as well as providing an opportunity to further develop our research and pedagogical interest in the global sport industry!"

~ Dr. Jacob Bustad and Dr. Jessica Minkove, Department of Kinesiology  
TU Global Sport Leadership in the UK (Spring Break 2023)
