

B.S. in Psychology

About the Program

A psychology major is an asset - whether your career goal is to become a clinical psychologist, counselor, social worker, or consultant; to conduct behavioral research; to become a college professor; or to enter professions such as business, law or medicine. Your expanded knowledge of human thought, emotion, and behavior is relevant to any career.

Develop the intellectual skills to help you generate and evaluate knowledge in many areas by learning and applying psychology research methodologies. Although not required for completion of the program, opportunities are available to gain experience in the field and earn credit through an internship placement that pairs you with a working professional in the field.

Why study Psychology at TU in Northeastern Maryland?

- Class sizes are small, so students experience individualized attention from faculty.
- Courses are taught by interactive and experienced faculty with diverse backgrounds in research, school psychology, clinical, counseling, and gerontology.
- This program is designed for both the traditional and the non-traditional student.

Faculty Profiles

Monika Conrad, M.A., Program Director and Adjunct Professor Prof. Conrad teaches the Social Psychology and Psychology of Aging courses at Towson University in Northeastern Maryland. Previously, Prof. Conrad worked as Memory Care Director and Activities Director at Lighthouse Senior Living in Middle River, MD. In this position, Prof. Conrad gained experience managing the dementia units. She received her Master degree from Towson University in Experimental Psychology.

Mark Nolder, Ph.D., Adjunct Professor Dr. Nolder works as a Counseling Psychologist for the Veterans Health Administration (VHA) at the outpatient clinic in Fort Howard, MD and specializes in the Mental/Behavioral Health field. Dr. Nolder teaches both Personality and Psychotherapy at TU in Northeastern Maryland and has been teaching at Towson University since 1993. He received his Ph.D. degree from Texas Tech University.

Jose Rosado, LGPC, NCC, MBA, Adjunct Professor Jose is a person in long-term recovery and a BiPOC clinician who works with adults, young adults, couples, as well as families. He runs a small private practice, *Grey Matter Counseling & Consulting*, based out of Harford County. In addition to his clinical background, Jose is also a MABPCB Registered Peer Supervisor (RPS) & Peer Recovery Specialist (PRS). Jose received his Master's in Clinical Mental Health Counseling from Northwestern University and received his Bachelor's & MBA from Iona University in New York ('06,'08). With mental health advocacy being a cause that is near to his heart, Jose founded *Creatives Against Depression* (www.creativesagainstdepression.com) — an initiative created to start a larger conversation about mental health awareness in society to help erase the stigma behind depression, anxiety, & suicide, especially in the arts community.

Three Reasons to Apply

Same Quality Programs. Same Quality Degree.

- Established partnerships with local community colleges provide a seamless transfer and assure maximum transfer credit.
- All programs are Maryland Higher Education Commission (MHEC) approved and, if applicable, accredited by their specific professional organization.
- The same high caliber instructors teaching on main campus also teach courses at Towson University in Northeastern Maryland (TUNE).
- Students receive a bachelor's degree awarded by Towson University. The programs at TUNE are identical to those on main campus.

Save Money.

- Fulltime TUNE students save more than \$1,500 per year on fees as compared to students on the main campus. Tuition amounts are the same at both locations.
- Parking is free and convenient.
- TUNE students save on room and board, which costs approximately \$11,000 per academic year on the main campus.
- Students are eligible for the same Financial Aid packages (grants, scholarship, loans, etc.) that are awarded to main campus students. In order to be considered, students must submit the FAFSA by the posted deadline.
- Student employment opportunities are available on-site.

Convenient. Close to Home.

- Program advisors and admissions representatives hold regular office hours on-site.
- Select programs offer internship opportunities in the region.
- TUNE's Director of Student Services organizes diverse student life activities and events to bring the full college experience to TUNE.
- Students may purchase from TU's main campus UStore, textbooks, class materials, TU apparel, and much more and the items will be delivered to their home.
- Food, beverages, and snacks are available on-site at the TUNE café, vending machines, and food pantry, which is located in the student lounge.

How to Apply

1. To access the online application, please visit our webpage at www.towson.edu/tune and click the “Apply Now” button. You can also visit the application directly at www.towson.edu/applytune.
2. Please read the application instructions carefully. Allow yourself approximately 20-30 minutes to fully complete the application. A \$50 non-deferrable, non-refundable fee is required with your application. Payment may be made with a credit card or electronic check.
3. Remember to send official transcripts from all previously attended colleges and universities to Admissions
via email to: **Admissions_Documents@towson.edu** [Some schools will send electronically to TU.]

or via postal mail to: **Towson University**
Office of Undergraduate Admissions
8000 York Road
Towson, MD 21252
4. Some majors have additional requirements or screening criteria, such as prerequisite courses, supplemental applications, GPA requirements, or passing Praxis scores. **Admission to Towson University does not guarantee entry into these majors.** The following programs at TUNE have additional requirements: Business Administration, Education, and Nursing.

The Deadlines

The final application deadline is **June 1 for fall admission**. The application will remain open on a space-available basis.

To be considered for merit-based scholarships offered through the University, your TU application and official transcripts **must** be submitted by **March 1**.

The TU Priority Deadline for the FASFA is usually in mid-January and posted at www.towson.edu/finaid.

Questions?

Transfer advising staff are on-site at regular times throughout the semester. Please call us at **410-704-TUNE (8863)** or email tunemd@towson.edu to make an appointment to meet with a counselor if you have questions regarding transfer of credits or the application process.
