**IV. Please list all psychology courses you have taken on a separate piece of paper.**

Include the name of the course, the institution, the semester, the name of the professor, and your final grade.

**V. ESSAYS**

On separate paper, please answer the following questions in clear and complete typewritten sentences. Your response to each question should be no more than 350 words.

1. What attracts you to clinical work in the field of psychology?
2. What are your primary clinical interests and why?
3. In your opinion, what personality characteristics do you have that would contribute to your competence as a mental health worker?
4. Have you had any prior experience working with people in a mental health or other settings with diverse people?

**IV. Writing Sample:**

Include with your application a sample of your written work for a class (no more than 5 pages) that you believe enhances your application. The sample need not come from a psychology class, although a psychology paper is preferred. Return of the work cannot be guaranteed, so we recommend submitting a copy of the original paper.

**V. Letters of Recommendation:**

Please submit at least one letter of recommendation from a professor(s) familiar with your academic skills and character. Usually letters of recommendation are submitted in sealed envelopes with the professor's signature across the sealed back flap of the envelope. Students typically do not see the letter. If you do not know a professor well enough to obtain a letter of recommendation, you may ask an employer for a recommendation.

**Return this application to the Psyc Office (LA 2210) no later than October 18th to:**
