

## Parking Permit Information for TURFA Members for July 15 through August 31, 2024

1. As a TURFA member you are eligible for free parking passes to attend University functions and programs. Parking on campus to teach or take classes is an exception to this parking benefit. If you are teaching or taking classes, you can pay the daily rate or pay the discounted rate for retired faculty and staff.
2. University Parking is switching to a new parking system called OffStreet. To request your parking passes between July 15 and August 31, 2014, click on the link below. The directions are easy to follow. Stephanie Ballam, the Associate Director for Parking, has entered your TU Net ID into the system for you.
3. All TURFA members will have 10 parking passes available through August 31, 2024. All members can contact Parking to request more- a 5-day notice is requested.
4. Parking and Transportation will continue the process of transitioning to the new permitting system and will provide more instructions and clarification before September 1, 2024.

### Instructions:

Go to the website at Go to the website: <https://www.offstreet.io/location/BTIHCZM8> .

Enter your License Plate Number (and state, if not Maryland) and click on the NEXT button.

The image shows a mobile application interface for parking registration. On the left, there is a welcome message for TURFA members in Towson, Maryland, with contact information for location support. On the right, a 'PARKING REGISTRATION' form is displayed. The form includes a title 'Enter license plate number', a text input field for the license plate number, a dropdown menu for the license plate state/province (currently set to Maryland), and a checkbox for 'Remember my plate?'. Below the form, there is a button for 'TURFA Reserved Space' with a location pin icon and a 'Get Directions' link. At the bottom of the form, there are two buttons: 'BACK' and 'NEXT'.

Enter your TURFA Access Code, which is your TU ID Number or if you do not have a TU ID then the last seven digits of the phone number you have on file with TURFA and click on the NEXT button.

In the Parking Confirmed box entering your email address and clicking on the SEND button is optional but is encouraged in order to receive a confirmation and a reminder email 24 hours before arrival on campus. Once you have completed the transaction, you will receive a confirmation number. You do NOT need to display the permit while your vehicle is parked on campus. The University uses a license plate reader to verify you have a valid permit.
