Audit courses are billed at the same rate as unit courses.

You must drop by January 3, 2019 to receive 100% adjustment of tuition and fees.

Tuition and fees are subject to change by the Board of Regents at any time. A late fee of \$150 will be assessed for any billing statement not satisfied by the payment deadline on the statement.

Payment of electronic tuition bill (eBill) is the responsibility of the student and is due to the university each term. Notification that an eBill has been issued is communicated to each student via their TU campus email. Failure to pay or provide financial aid or third party documentation to cover the eBill statement balance does not discharge the financial obligation, including any late payment assessments. If you do not receive an eBill notification at least one week prior to your payment due date, [contact the Bursar's Office](#).

### Refund Process

Any unpaid charges on a student's financial account with the university will be subtracted from any refund prior to processing a refund request. For payments made by credit card, refunds will be credited to the original credit card account and will be reflected on the credit card monthly statement. For each term, credit card refunds will be processed after the term's change of schedule period. However, students may ask for a credit card refund prior to this by contacting the Bursar's Office. If a student receives a refund of amounts charged to a credit card, the credit card owners are responsible for paying any and all interest charges accrued on the credit card.

Questions regarding refunds should be referred to the Bursar's Office at 410-704-2100 or 1-888-5BURSAR. You can also access exceptions to our refund policy.
