

First Year Accommodations

Towson University offers 18 residence halls that represent an eclectic mix of old and new architecture that range from cozy two- and three-story halls to high-rise towers. Incoming freshmen are not eligible to live in apartment communities. Living on campus provides a great way to stay connected with campus and enjoy the TU community!

Suites: Two bedrooms with a shared bathroom in the middle

Hotel Style: Double and triple rooms with a shared private bathroom

Community Style: Double and triple rooms that are located along a central corridor and share community bathrooms

Quads: Four double rooms and one single room that share a community bathroom with two sinks, showers, and restrooms
