

Welcome to campus! This information guide will provide you with information that will help you settle into your space for the academic year. Your building has many **helpful community members** who are committed to providing a safe and welcoming environment for you.

- **Community Center Assistants (CCAs)** are students that work at your building's Community Center (front desk). They can answer questions, help if you get locked out, need to register a guest, and check out equipment. The Community Center can be reached by calling **410-704-6072**. The **Community Center Manager** is a student staff member who oversees Community Center Operations.
- **Resident Assistants (RAs)** are upper-class students for each floor that build community and ensure safety within the building. The **RA on-call** can be reached after hours by calling **410-704-6072**. RAs will also be holding floor meetings. **Floor meetings for new students** will be held on August 22 between 4:30pm - 7pm. Floor meetings for **all students** will be held during the first week of the semester.
- **Residence Life Coordinators (RLCs)** are masters-level professional staff members that oversee the individual communities. A search for a new Tower A RLC is currently underway. **In the interim, if you have any questions, please contact Lisa Simmons-Barth, Associate Director of Residence Life.**
